

“Congratulations to all the Legacy teams that competed at the Festival and at J.O.’s!”

1) The highlight of the post season was a GOLD MEDAL FINISH, by the boy’s 15-and-under team in the Club Division!! That team was coached by Sean Carter and assisted by Brandon Pank. Amazing finish for a first year club!!!! Kevin Ker’s 16-and-under team finished J.O.’s with the best point percentage of any team in the entire tournament. A three way tie for 1st with the Gold and Silver Medal Winners, unfortunately led to a playoff that allowed them to finish at best in 17th place. Their record was 10-2 overall for the tourney. Teddy Goetz’s 18-and-under team played by far their best volleyball of the year, despite starting with only 8 players, and finishing with 5.5 healthy players!!

2) 7 of the 9 girl’s teams finished higher than their original seeds, and most of the teams played by far their best volleyball of the year. The 16-1’s team, led by Coach Gerrit Maxwell finished 7th, with their two losses in the playoffs to the 2nd and 3rd place finishers at the Festival. Our 15-1’s team coached by Adam Kaminsky, moved up from 26th to 18th place, and our 18-1’s team, coached by Cooper O’Connor and Tony Ker, from 24th to 19th place, great finishes for a first year club! Our 14’s team, coached by Charles Figueroa, had the largest improvement, moving up 21 spots from 74 to 53!

I’m so incredibly proud of the work ethic that both coaches and players have demonstrated throughout the year, as well as the dramatic improvements that were made in our first year! The Legacy has truly begun.....
